

Agricultural Equipment Technician

Farmers Equipment Company is a full-service agricultural and material handling equipment dealership with locations in both Lynden and Burlington, representing Case IH, Branson, Komatsu, Krone, OXBO and more. We currently have an opening for an **Agricultural Equipment Technician** to serve customers out of our Burlington location.

Primary responsibilities include:

- Service and maintain agricultural equipment to OEM specifications, while meeting customer expectations, both in-house and at customer location
- Accurately detail repairs completed on Work Orders
- Troubleshoot and diagnose problems with equipment and research parts and repairs needed to successfully resolve, leading to a positive outcome
- Dependability and good housekeeping skills
- Professionally represent the company while serving internal and external customers

Job Requirements:

- High school diploma or equivalent
- Strong mechanical aptitude
- Strong communication skills with the ability to listen and contribute to the success of the team
- Strong detail-orientation
- Valid driver's license with clear driving record

Wage DOE; comprehensive benefit package including fully paid employee medical, dental, life insurance, sick leave, 401(k), and more. If you are interested in joining our team, please click on the [FEC Application](#) link, fill out the application, and email it to canderson@farmersequip.com.
